June 8, 2014

OBITUARY Anthony ?Tony? Michael Reyelts was born on July 15, 1961 in St. Paul, MN, the son of Vernon and Carolyn (Randall) Reyelts. He graduated from Moundsview High School in 1979 and continued his education at Concordia University and Minnesota Medical Institute in Minneapolis. Tony worked for CVS/Caremark as a Phlebotomist/Account Specialist for over 20 years. He also worked for Genoa Healthcare as a Lab Account Manager. In 2013 he started his own business, ScreenPro. He administered drug screening for DOT compliance, pre-employment and random drug screening for employee compliance for many companies in Minnesota. Tony met his future wife (Sandra Isdahl) in Minneapolis at the age of 15 years old. After a few years they reunited and were married on June 10, 1989 in their backyard in Ramsey, MN. Together they lived in Ramsey, MN and in 1992 they bought a lake lot on Devils Lake. Tony and Sandy built a lake home in 2002 and in early 2013 they sold their home in Ramsey to live year round at their home on Devils Lake. Tony loved fishing and entered many fishing tournaments over the years. He took pride in his boat and enjoyed being on the lake. Besides being on the lake, Tony used mowing his lawn, as a sort of therapy. He was a fun loving guy who loved to entertain. He always had a beverage or something to munch to give to friends who came over to visit. He made everyone feel welcomed with his ability to talk with anyone. Tony?s world was his wife, Sandy who was his best friend, partner, and love of his life. Together they traveled and took rides on ?Chester? (his supped up golf cart). Tony

enjoyed the memories he made on his recent trip with Sandy and his brother and his wife in Jamaica. Tony's laugh and smile will be missed by those who knew and loved him. Anthony M.
