“ *Our deepest sympathy for your immense loss. Certainly if we look up into the sky there's a new star shining just a little brigher than the rest, because a spirit as bright as your Dad's could never possibly be dimmed. Take comfort in knowing his great legacy will live on in each of you. We mourn and celebrate a beautiful life with you, even though we can't be there beside you. Praying for peace and comfort for you all through the hard days ahead, and hoping that the laughter of wonderful memories can overcome the tears of your broken hearts.*
