“ Greg, you stopped and turned around to say some real nice things to me when you didn't have to say any of it. As small as that sounds, it meant a lot to me, and I'll never forget it. To Jordan, Tesha and all your beautiful babies you're in my thoughts and prayers, especially today. Love, Jen

Dear Brother: I am glad that we were able speak during your last days. Your passing has left the world without one true genuine soul that was filled with love for his wife, children, and grandchildren. To you my brother, all I can say is I love you. I will mourn your passing, but will also celebrate your life as you were the one person that always stood by me while I was growing up. It is an honor to call you my brother.
