“ We so enjoyed getting to know Paul over the past weeks of his life. He made a place in our hearts so quickly and we will always remember him. Every year at Christmas we put up a tree in honor of those who have gone before us. I know I'll be thinking of Paul especially this coming year.

I was touched that Paul wanted to plant yellow tomatoes and bachelor buttons for Marlys. We are taking care of those for him and is is an honor.

“ Auntie Marllys, Paula & family, Myra & family and Joey & family, Due to Darrell's ill health, we will not be able to be at the funeral for Uncle Paul. We would have loved to have been with you all at this time. We know you will miss him very much but with God's Word as our promise, we know we will all be reunited again in heaven where there will be no more tears, no more illness, no more pain, no more dying. That is our comfort during this time and in the future. Uncle Paul had many good years on this earth and was blessed by many people, especially his family, who loved him very much. We cannot be sad for him. And we can trust that God will be with us all during this time. God bless you and we send our love from Texas! Darrell, Wanda, Keith, Sunny and family; Heather and family; Hilary and Austin Brown
