“ Linda,
I was so sorry to hear of your mother's passing. She and your dad were such good friends to my parents for all those years on Crestwood Rd. After my dad died, I know that they kept an eye on Mom. In the summer time when my kids were little, we'd always go visit Chuck and Ruby when we came home. She always gave me ideas of things to make for the craft shows I did (beyond the appliqued sweatshirts). I made and sold many, many little pine cone wreaths and the little stenciled bags with baby's breath and tied together with a printed bow. Both were big sellers. She was so creative.

Ruby will be missed.

Our deepest sympathy.

“ Dear Linda and Family,

My sincere sympathy on the passing of Ruby. As I said in my voice mail last Friday, she was a great lady and I enjoyed talking to her and reminiscing about the old days, She was always interested in what was going on in the Satterlee family. As you probably remember my mom was from Lake Preston so they had something in common from the beginning. I shall always feel blessed that I could visit her in Alexandria in December of 2012 and see her joy in her different surroundings and being close to her daughter. May you find peace in the days ahead and remember the good times and all the love and memories she brought to you and yours. With Love, Lawrence Satterlee

“ Linda and Larry--I am so sorry in your loss. I had spoken to Ruby just a couple of weeks ago so was shocked to read her obit in the Argus. She was such a good friend to me. Always loved visiting with her and having lunch with her after church here in Sioux Falls. So glad I got to meet you also. I have beautiful pendants Ruby had made that I will always treasure. She shared with me her wonderful family recipe book she had published. I have many wonderful memories of Ruby that I will treasure. May the Lord bless you and the rest of Ruby's family and take comfort in your memories of her. With deep sympathy,

Our condolences to the Pollock Family. We had good times at the Labor Temple in Sioux Falls. She & Charlie were hard works for all the events.

Yes, they were workers. Mom resided in her independent apartment till July 14th. She told me she enjoyed a wonderful life. They looked forward to the Labor Temple events. Thank you for your kind words.

Dad and Ruby would call each other to keep up on what was going on and he liked that. Ruby and Jr. were so good about stopping to visit too. Ruby made each visit we had personal and caring and she wrote a kind letter to me last year, which I have saved. Our sympathy to you and your family, Linda,
