“ I was so sadden by the loss of Susan. I have known her for a short time, but loved everything about her. Had many conversations on the phone, and can tell you, she didn't like change, but did it. I am so glad that I got to know this super LADY! She will be missed. Sending prayers for Roger and the Family. Will be watching for her shining STAR in the sky.

“ Roger and family, I was sad to hear of your loss, your family was always a pleasure to see and visit, as a young man I recall summers working on your farm picking rock harvesting chickens etc.

Susan was in her own right a wonderful person. I regret I will be unable to attend her service

May the Lord bless her and keep her!

“ Roger, Kipp, and loved ones: I'm so sorry for your loss. Susan (your Mom) was one of the nicest and hardest working women I've known. You all meant everything to her. I am fortunate to have experienced her love and forgiveness... Home cooked meals... Card games...laughs...tears. Know you are all in my thoughts. With love,
Luci
